

**FAAST and Dover AFB Wing Safety presents:**

# **Dover AFB Civilian Fly-In and MACA Event (FLY-IN ONLY)**

Did you ever want to land at Dover Air Force Base? Here's your chance! The 436th Airlift Wing invites you to join them for their second annual Midair Collision Avoidance (MACA) Safety Seminar and civilian fly-in. The Dover Safety Team will discuss the MACA program followed by a tour of the base's ATC facilities as well as C-5M Super Galaxy and C-17 Globemaster III heavy airlift aircraft. Active duty and AF Reserve aircrew and air traffic controllers will be on hand throughout the day to answer questions, swap war stories, and discuss the basic challenges of safely integrating military and general aviation aircraft. Don't miss this exclusive opportunity. Click on the link below and register TODAY (for WINGS credit only). In order to attend this briefing you must register as required by the attached "FAA Safety Posting" document on FAASafety.gov.

**Directions:** PLEASE follow enclosed guidance for fly-in procedures.

**A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
